PROP 4: YES! Sarah's Law. Requires notification of a parent or adult family member before a minor can get an abortion. Similar laws in over 30 states have reduced teen pregnancies, abortions and STDs, have re-established parental authority, and have removed protection that sexual predators enjoy in California today.

PROP 8: YES! Protect Marriage. Only a marriage between a man and a woman is valid or recognized in California. Protects marriage, protects children, and protects the real meaning of the traditional family.
