

# COME STAND FOR LIFE

On January 22, 2013

Forty years ago, on January 22, 1973 the U.S. Supreme Court in its decisions of *Roe v. Wade* and *Doe v. Bolton* established abortion on demand, up to the moment of birth, in all 50 states for any pregnant woman or girl. Since then, a broad spectrum of evidence from sonograms to DNA has shown the product of conception to be a unique, individual human being. Those Court decisions established an unprecedented national policy resulting in the unrestrained killing of innocent human beings. Roe and Doe have challenged, to its core, America's foundational principle of the God-given inalienable right to life.

**A public protest against legalized abortion will be held at the largest abortion clinic in Orange County on the anniversary of the infamous Roe and Doe decisions. Come and pray to end legalized abortion in America and take a stand for God, Life, and Country.**

**Join others on Tuesday, January 22 from 8:30 to 10 a.m. outside Planned Parenthood, 700 S. Tustin Ave. in Orange just off Fwy 22.**

**Bring your own signs – some will be provided. Let others know and especially encourage your pastors to attend. Be careful where you park. Cars could be towed from the business complexes along Tustin Avenue. Residential area parking is available near Seba and on Fairway streets.**
